# SUMMER TRAIL MAP

BIKE TRAILS  Beginner  Intermediate  Expert

**Luge** ● Inspired by the Adaptive Sport Center hand cyclists, Luge is a wider gravity assisted singletrack trail that flows through moderate terrain featuring man made berms and rollers. Downhill recommended. Completion scheduled for August 2009.

**Painter Boy** ●■ This local favorite takes you through fields of wildflowers and stands of aspen trees and can be accessed by the Red Lady Express via Horseshoe or Luge Trails.

**Mineral Point** ■ A mix of natural terrain, singletrack and manmade obstacles. Look for more features to be added through the summer on this trail. Downhill recommended.

Completion scheduled for August 2009.

**Meander** ■ Ride through a beautiful mountain landscape on excellent singletrack that overlooks the East River valley. Follow Gothic Road back to the base or climb up Prospector.

**Horseshoe** ■ Horseshoe skirts along the base of some of Crested Butte's famous steep terrain and allows you to connect the Westside trail with Meander, Painter Boy and Columbine to make an incredible cross country loop from the base area.

**Prospector** ■ Enjoy over two miles of classic Colorado singletrack that winds through alpine meadows and pine forest. This trail can take you to Gothic Rd. or use it to link with Meander or Snodgrass.

**Columbine** ■ Wind your way up Columbine Hill through grassy meadows and Aspen forest. From the top of Columbine trail loop around Horseshoe and Westside for a longer day, or explore one of the many other great options back to the base area.

**Westside** ♦ This epic new piece of singletrack will keep you smiling. Flowing trail through forests of aspen and pine are the highlight of this ride. Westside can also be ridden as an intermediate cross-country ride from the top of Red Lady Lift to the base area.

**Wood's Trail** ♦ A smooth gravity fed trail with a mix of man made obstacles. Access at the top of Luge to the upper section of Painter Boy. Ride to Gothic Rd. and back to the base area.

Downhill recommended.

**Avery** ♦ Avery throws a little of everything your way as you descend through pine forest, rock gardens, fast open terrain, and man made jumps. You can also finish this run on the Mountain Cross track. Downhill recommended.

**MOUNTAIN CROSS TRACK** A manmade race track featuring berms and jumps for exciting side by side racing action. Race against your friends, or try it on your own.

**SKILL ZONE** Come build your skill base or sharpen your fundamentals in the Skill Zone. Choose from the Pump track or the beginner singletrack and learn what sort of obstacles you'll find on the mountain.

## HIKING TRAILS

**Summit Trail** The first section of the trail climbs fairly steep terrain and ends at the picnic shelter. From there to the summit, the trail is steep and crosses loose and broken rock. Round-trip is 1 mile.

**Silver Queen Trail** Following a road, this trail winds down to the top of the Red Lady Express Lift. Or hike it in reverse, starting at the top of the Red Lady Express lift, ending at the top of the Silver Queen Express Lift. Round-trip is 2 miles. From the base area to the top of the Silver Queen Express Lift is 4.3 miles.
